

I'M GONNA WALK IT WITH YOU
by Ellie Grace & Brian Claflin

LOWS: Well it looks like its gonna be a hard road

ALL/U : But I'm gonna walk it with you.

LOWS: And I know you might have a heavy load,

ALL/U: But I can carry some too.

I will lift you up when they push you down,
I will raise my voice and stand my ground.

LOWS: Well it looks like it might be a hard road,

ALL/U: But I'm gonna walk it with you.

LOWS: Well it looks like it might be a long night,

ALL//U: But I ain't goin' nowhere.

LOWS: And I know it's gonna be a hard fight,

ALL/U: but I will stay right here

3 PARTS: I will shine a light in the darkest hour,
I will fax the man in the tallest tower
Well it looks like it might be a long night, but I ain't goin' nowhere.

LOWS: I will work! I will fight! I will strive in the name of love.
I will speak! I will shout!

3 PARTS: I will sing it to the skies above.

Well it looks like it might be a perilous climb, but I will follow your lead
And I know it m might be a long time until the last one of us is freed.

LOWS: But I will hold on tight, stay by your side.

I will be with you for the whole long ride,

3 PARTS: Well it looks like it might be a perilous climb, but I will follow your lead

LOWS: Well it looks like i might be a hard road,

ALL/U: But I'm gonna walk it with you.

LOWS: And I know you might have a heavy load,

ALL/U: but I can carry some too

I will lift you up when they push you down,
I will raise my voice and stand my ground

3 PARTS: Well it looks like it might be a hard road,
But I'm gonna walk it with you.
I'm gonna walk it with you.
I'm gonna walk it with you.

ALL/U: I will walk! I will climb!

3 PARTS: Shine my light the whole night through

ALL/U: Because it looks like it might be a hard road,
But I'm gonna walk it with you.
